You'll notice that our motto is "Corvettes, Friends and Fun Since 1971". This club will provide you with many opportunities to enjoy your Corvette. We are certain you will soon realize that we are more about socialization and friendships, and that we do not just gather to discuss our Corvettes. We take great pride in being an active year-round club with members participating in many activities. Due to the covid-19 pandemic restrictions we suspect that 2022 will get off to a slow start. Hang in there with us.
